Frequently Asked Questions (Page 6)	<p>The FAQ “What is a pre-existing condition?” has been deleted and replaced with:</p> <p>What is a pre-existing condition?</p> <p>If any Condition existed or occurred prior to the Commencement Date of the First Policy Period or within any applicable Waiting Period, and you or your Vet were aware of the Condition, or a reasonable person in your circumstances would have been aware of the Condition, then it may be considered to be a Pre-existing Condition and excluded from Cover. This is the case, irrespective of whether the underlying or causative Condition was diagnosed at the time.</p> <p>Whether such a Condition is a Pre-existing Condition will depend on its nature and experience. Outside of any applicable waiting period, if your Pet has a Temporary Condition that is considered to be a pre-existing condition (because it occurred or existed prior to the Commencement Date of the First Policy Period, or during any applicable Waiting Period, but that Condition has not existed, occurred or shown noticeable signs, symptoms or an abnormality in the 18-month period immediately prior to your claim Treatment date), it will no longer be excluded from Cover as a Pre-existing Condition. Chronic Conditions and several other specified Conditions cannot fall within this category.</p> <p>Hereditary Conditions and congenital Conditions will also not be considered a Pre-existing Condition if they have not shown noticeable signs, symptoms or an abnormality at any time before the Commencement Date of the First Policy Period or during any applicable Waiting Period.</p>
